Established in 1987, Aeroaids Corporation is India's leading company that deals in high-quality Aerosol Spray Paints. The company is headed by Mr. R.K. Sharma and Ms. Romila Wahi. The company has multi-location manufacturing units at Bahadurgarh (HR), Dehradun (UK) & Pune (MH). All manufacturing units are fully equipped to service the Industrial hubs.

The product range offered by the company includes Scratch Solutions, Car Care Solutions, Decorative Solutions and Industrial Solutions. Being India's First and largest Aerosol Paint Manufacturing Company for the past 3 decades, the company has always kept itself upgraded as per international Aerosol Standards. This has enabled the company to maintain the no. 1 position in the times of cut-throat competition.

The company's brand "Com-Paint" offers a comprehensive range of high-quality touchup spray paint Cans which are perfectly shade-matched to all types of OEM industries as well as their vendors. The specialized coating range offered "Com-Paint" includes Zinc Rich, Zinc Bright, Gold Bright, Fluorescent Colors, Heat Resistant paint of 250 C & 550 C, Finishing Solvent Spray and Anti Corrosive Clear Coat, etc.
