Inspect Your Apartment And Bring Change In Your Habits-

1. Check Your Window Screens:

If you have a habit of opening your windows frequently then its must to check its screens as some screens easily pop out under a pressure which can lead to injury or escaping of your cat, so if your screens really pop out then open only the window cracks or ask your management for any help.

2. Dustbin And Trash Can:

Many cats have tendency to explore things, so this curiosity can induce them to explore your dustbin and trash can, if that happen then you know your cat may be harm by it and also it will create a mess in your home so always choose a dustbin and trash can with a lid and choose a plastic one not a steel one as the steel cans have sharp edges which can harm your cat.

3. Put Your Toilet Lid Down:

Kittens are drawn to small amount of water so for there safety its best to keep your toilet lid down.

4. Dryer And Dishwasher:

Cats love warm places so when you are done using your dryer and dishwasher make sure to close them so to save your cat from trapping inside there.

5. Candles:

Never leave candles unattended as your cats fur can catch fire through it, so keep in check when you lit one.

6. Furniture:

If you have furniture which have lifting foot then always check underneath before you putting it up as cats have tendency to hide in tight spaces. Also for saving your furniture from any dent or scratch you can try availing Packers and Movers in Kolkata moving services.

7. Inform Your Management:

Never hide this fact from your management that you have pet if you want to avoid any embarrassing situation.

How To Protect Our Possession And Apartment:

1. Your Breakables:

If you have fragile items then keep them in a safe place where your cat can't reach, if you think keeping them on the high shelf can save them then you are wrong your curious cuddly can jump there. Now save your fragile items during move by availing [Packers And Movers Kolkata to Haridwar](#) packing and moving services.

2. Clip Your Cat's Claw:

If you clip your cat's claw on a regular basis then your furniture as well as cat will be protected, you don't need any special trimmer just use your regular nail clipper, grab your cat under one arm and gently grab its paw, now press its pad to extend the claw and carefully clip there nail by avoiding pinky part which has never endings.

3. Get Scratching Item:

Save your apartment and your carpet from your cat claws by bringing an inexpensive scratching board which are available at pet stores. You can make one on your own using cardboard box.

4. Furniture Covers:

We can't stop our cat from shedding, so why not to find a covers for our furniture. Protect your furniture when not in use through it and uncover it when your gang comes, also you can wash them periodically.

Hope this will be of some help and all the best for your relocation.
