UNIQUE System Skills LLC was incorporated in the year 2008, Since then we have provided our technical services to several Fortune 500 companies worldwide with a presence in India & the USA. Our company is committed to maintaining a culture of integrity, diversity, and ethics throughout the organization and its associated partners. UNIQUE System Skills LLC is a global IT Recruiting, Training, and Consulting Company that provides excellent services to its clients and customers for their staffing solutions and training needs.

After successfully commencing the business with a corporate office in Nashua, New Hampshire, we started the development center/BPO as Unique System Skills (India) Pvt. Ltd. in Pune, India. Unique System Skills (India) Pvt. Ltd is the best software training institute in Pune offering job-oriented training programs in DevOps, Amazon Web Service (AWS), PHP, tableau, Angular, Python, Salesforce, Advanced java, & software testing. We are proud to take the role of a young, dynamic, and high-level executive recruitment consultant that is committed to superior quality performance with a high rate of placements all around the GLOBE.
