Through the medium of images and couplet poetries, Dr. Pallavi Kwatra adorns on herself an insignia of love. For her, there is no other god and nothing to stand for in life other than love. As the brand ambassador of this love, she has sewn up these shreds of inane words and imagery to cast the spell of love on all those who read this compilation. NIYAAZ essentially means an offering. Her whole being has been laid at the altar of love where she stands consumed. Ignite yourself to the same fire as you follow the beats of your heart. In this consumption, you will alight upon the much sought after Gods.
