The [12 inch cast iron skillet](#) is the perfect vessel for family dinners, whether you're searing steaks, roasting a chicken, or cooking a one-dish meal. This beloved size features both an assist handle and an easy-grip handle for great control and hanging storage when not in use. This 12 inch cast iron skillet is perfect for grilling meat and charcoal-fired vegetables. It is made of cast iron made in China and distributes and retains heat evenly, providing you with the ultimate cooking surface. It is the best choice for wholesale cast iron skillet and cast iron frying pan distributors.
