If you're looking for new carpets in Minneapolis, MN, look no further than 651 Carpets. Whether you need Minneapolis carpet repair, carpet replacement, carpet installation, or services for other flooring and countertop materials, you can rest assured that the team of trained, experienced consultants and flooring installation technicians at 651 Carpets will meet your needs.

As the home of the next day install, the team at 651 Carpets has a wide range of carpets, luxury vinyl plank flooring, hardwood flooring, engineered wood flooring, granite countertops and quartz countertops ready to be installed in your home or business. 651 Carpets can also meet your needs for carpet repair with professional carpet stretching services.

The knowledgeable consultants at 651 Carpets provide free, in-home estimates to determine your exact needs and will provide you with samples of the best materials available for your flooring or countertops. 651 Carpets has hundreds of thousands of square feet of material available to choose from for next day installation.

When you buy from 651 Carpets, you get many additional benefits, including free carpet installation, step installation, complementary furniture moving, and 0% financing for up to 48 months. Plus, the team at 651 Carpets will even take away your old carpet for free.

651 Carpets proudly serves many communities in and around the Twin Cities, including Minneapolis, St. Paul, Eagan, Maplewood, Maple Grove, Minnetonka, Plymouth, White Bear Lake, Woodbury and many other nearby areas.

Call 651-227-7387 today to learn more or schedule an appointment for a free, in-home consultation with 651 Carpets.
