It's all about being smart and stylish! Barker [leather shoes for men](#) are the perfect blend of sophistication and fashion. The tan leather upper has a clean look along with subtle stitching at the vamp for extra detail. The matching leather lacing on these retro sneaker-style oxfords adds to the overall look and brings these shoes up to date. Barker brown leather lace-ups have a textile-lined inner sole that is comfortable to wear while giving them a trendy edge. Explore the collection of brogue shoes for men by Barker.
