The a6 shallow pink magnetic box is one of our stock magnetic boxes, and it's a popular folding gift box style. You can choose the ribbon or no ribbon option of the gift box, the ribbon is changeable, and you can replace the ribbon at any time. The magnetic front flap height is half of the box height. Four sticky corners will assemble the box catch, and concealed magnets make the gift box easy to open and close.

The pink magnetic box is a collapsible paper packaging box with a magnetic lid. The pink color is a popular color for gift boxes, and pink magnetic boxes are perfect boxes for chocolate candies, small events, festival gift packaging, clothing packaging, and retail product packaging. They are our stock-ready items, and the MOQ(Minimum Order Quantity) is only 25pcs. We can also customize the white box for you, such as add your logo or other printing elements to the box. If you want some low MOQ and high-quality gift boxes within your budget, we are a reliable choice.
