A thing of beauty is a joy forever. Children are considered as bundle of Joy. These have been kept in mind while designing the hospital and it is aesthetically designed to give a pleasant and comfortable stay and warm ambience. There are 2 Labour suites well equipped with all state of the art gadgets and world class facilities like fetal heart monitor, multi position birthing chairs, vacuum forceps to assist in delivery and is also designed aesthetically to give a memorable experience of child birth in a soothing ambience. Neonatologist screening universally for all babies is also offered. Also facilities like epidural analgesia to offer painless labour is provided.
