[Acoustic desk screens are perfect](#) for busy office environments, helping to reduce the impact of ambient noise and improve acoustics. Our range of quality acoustic screens includes a variety of screens from leading UK manufacturers and renowned European product designers that are suitable for any office space. Selected acoustic screens have been designed and manufactured to the highest quality standards and come with a manufacturer's guarantee. We have acoustic desks to suit every budget, all of which provide excellent sound insulation

From budget acoustic desk screens to mid-range acoustic desk partitions, we are able to provide custom solutions for your office environment.

Custom services are also available on our acoustic desk screens, ranging from high-end to high-end.

All of our acoustic desk screens, which come with free acoustic office screens, also work better when combined with our acoustic wall baffles or acoustic ceilings.

Deco Sound is founded by a dynamic, creative, experienced and responsible team, Everyone in the team is committed to providing our customers with the best products and services, as our name DECO SOUND, we focus on manufacturing best quality acoustic panels to our clients in their interior decoration.
