Aerol is a closely held, professional managed private limited company incorporated in New Delhi and having its manufacturing premises in Haryana.

From its humble beginning in September 1989, Aerol has made rapid strides over the years and emerged as a leading manufacturer of aerosol and chemical preparations in India.

Armed with over 30 years of manufacturing experience, [Aerol manufactures](#) over 300 products in its own brands and in private label for reputed companies.

Aerol has a strong network of dealers/distributors all over India, and fast growing presence in the export markets in Nepal, Bangladesh & Middle-East.
