we have many different species and varieties of freshwater fish available at our online store. This allows you to get the best price on the fish you need, with the most variety and selection possible.

Not only do we offer more species than any other retailer in Ahmedabad, but we also offer more information about each species' characteristics and care requirements so that every customer can make an informed decision when purchasing their new pet. Our team members are experts in their field who know how important it is for customers like yourself to get what they want and precisely what your needs are!
