Based in Kapolei, Hawaii, and operational since 2010, All Things New is a construction company that undertakes the [renovation and remodeling](#) of residential and commercial properties. We began as a grassroots remodel company, serving private homes and local churches, and have since expanded to handle larger projects. We have a professionally trained, licensed, and dependable team of estimators, field engineers, project managers, interior designers, kitchen designers, tradesmen, and workers and maintain working relationships with the top architects and architectural firms in Hawaii. We carry a \$3 million coverage with our Workman's Compensation, Commercial Auto, and General Liability insurance and offer personalized services to fulfill your exact needs. As part of our Design/Build services, we offer partnered architectural design services, new home construction, additions and ADUs, and preliminary cost estimates. Our Remodels services include home alterations, home upgrades, home additions, and interior design. Additionally, our Kitchens & Bathrooms services include full-service kitchen remodeling, full-service bathroom remodel, virtual reality design, and product procurement. All services include project management and an online client portal. After contacting us, you can have a free initial phone consultation with one of our project specialists or a \$75 in-house consultation. We will listen to your ideas, take notes, help you set a budget, and prepare a labor proposal. Next, we will assign a project manager to handle everything from pre-construction to finish.
