Estate planning is an essential process that goes beyond creating a will or setting up trusts; it's about making proactive decisions to protect your family's welfare after you're gone. It's unfortunate that many overlook this vital planning, leaving their families to face potential legal complications and financial burdens. At Arbor Estate Planning, we strive to prevent such outcomes by offering comprehensive, thoughtful estate planning services.

Our expertise encompasses a wide array of tools and strategies including wills, various types of trusts such as joint, tax-sheltering, education, special needs, and charitable trusts, as well as durable powers of attorney, advance health care directives, prenuptial agreements, and more. Each of these elements is tailored to meet the unique needs of our clients, ensuring that every aspect of their future is secure, from asset protection to estate tax planning.

Estate planning is not just for the wealthy; it's a crucial step for anyone looking to ensure their assets are distributed according to their wishes, without unnecessary legal interference. By deciding who benefits from your hard work and who will take custody of minor children, you retain control over these critical decisions rather than leaving them in the hands of the courts.

Our services extend beyond individual planning; we also specialize in business succession planning, helping business owners create smooth transitions and maintain the stability of their operations for future generations. Additionally, our team is well-versed in probate administration (excluding litigation), estate tax planning, and the designation of beneficiaries, which all play integral roles in a comprehensive estate strategy.

Operating hours are Monday through Friday, from 9 AM to 5 PM, making it convenient for you to schedule consultations around your busy schedule. Our team is committed to providing not only expert advice but also exceptional service, ensuring that each client receives the attention and respect they deserve.

Remember, an estate plan is more than a document—it's a roadmap for the future well-being of your family, providing certainty in uncertain times. With Arbor Estate Planning, Law Offices of Christopher Juillet, PLC, you're choosing a partner who stands firmly beside you as you plan for tomorrow. Secure your legacy and give yourself and your family the gift of peace of mind by contacting us today. Your future is our priority, and there is no better time than now to take the first step towards a secure and prosperous future for your loved ones.
