Baber Enterprises Inc. offers expert roofing services, including repair, shingle, and metal roofing, alongside tailored gutter solutions. With over 40 years of experience, this family-owned business in Augusta County provides exceptional craftsmanship for both residential and commercial properties. Their services extend to new construction projects, ensuring durability and style with high-quality materials. As a full-service Class A general contractor, they also specialize in enhancing and transforming spaces with decks, additions, and siding. Baber Enterprises guarantees peace of mind with comprehensive warranties and flexible financing options, all while prioritizing customer satisfaction through reliable and courteous service.
