Contact Person Dr. Shikha Aggarwal
Mobile Number 09356112061
Email drshikhaaggarwal2018@gmail.com

Bliss Laser Skin Clinic has the best medical staff available to help patients with the treatment. The person who is handling the laser device needs to be trained and experienced at it, and Dr. Shikha Aggarwal, the [Best Dermatologist in Ludhiana](#), being such a professional, has treated many patients regarding various skin issues. A mask of carbon solution is applied (to clear the pores clogged with dead cells, oil, or bacteria), which gets bound to the skin layer by a low-energy laser beam. After leaving the mask for 30-40 minutes, another laser beam of higher energy is targeted that helps to peel off the mask. Book an appointment to get effective treatment.
