A family-owned company that has been in the HVAC service industry for two generations, Bold City Heating & Air provides quality and affordable services to maximize customer convenience and minimize energy wastage, property damage, and health hazards. Operating in Jacksonville, Florida, and the surrounding areas, we offer [air conditioning](#), heating, and indoor air quality solutions for residential and commercial establishments. Since we are a Carrier Factory Authorized Dealer, we follow a proven task list for getting peak performance from your system. For your comfort, we can use leading-edge inverter technology, extensive live lengths, lightweight air handlers, remove access, and multi-stage air filtration. Contact us by email or phone on any weekday, and we will send a technician over to inspect your home, pinpoint problems, and assess what you require. We can recommend the best system for your home and give you a reasonable quote within your budget. If you need financing, we can help you find the right plan. Our experienced, highly-trained, and NATE-certified technicians can undertake heater and air conditioner installation, repair, replacement, and seasonal maintenance. Along with providing services related to ductless HVAC and heat pumps, we can also work on VRF systems and WiFi thermostats. Additionally, we can do duct cleaning, sealing, repair, and maintenance. If you require attic insulation or effective indoor air quality solutions, we can assist with that too. As we keep up with industry innovations, technological developments, and new tools, we can guarantee a fast, efficient, and reliable service. Learn more about our HVAC services and innovative products at <https://boldcityac.com/air-conditioning-service/> & <https://boldcityac.com/duct-cleaning/>.
