Brian D. Guralnick Injury Lawyers has been voted “Best of the Best” Personal Injury Lawyer by the Palm Beach Post for multiple years. Since 1998, we have helped those injured in car, truck, bicycle, and pedestrian accidents, as well as slip/trip and falls or other injury claims get both the full medical and money recovery they deserve in West Palm Beach. We merge the personal V.I.P. treatment of a boutique firm with the vast resources of a larger practice. Our focus on detail and client needs often allows us to settle cases out of court. But, if needed, our board-certified litigation team is ready to take cases to trial for a fair settlement. Give us a call for a FREE consultation 24/7 so we can discuss how we can “Demand More” for you.
