Brightwater Services Inc stands out in Palm Desert, CA as the go-to source for comprehensive plumbing and electrical services tailored to modern lifestyles. Our expertise extends from general plumbing services to advanced electrical solutions, including the installation of EV charging systems. Homeowners and businesses alike trust us for our meticulous attention to detail, whether it's drain cleaning, fixing bad circuits, or panel upgrades. Our skilled team brings reliability and high-quality workmanship to every project. We're committed to ensuring your space operates smoothly with automatic water shutoffs, water heaters, and more. As a forward-thinking Palm Desert electric company, we understand the importance of merging convenience with eco-friendly options—a principle evident in our EV Charging station installations. For a Palm Desert plumber or electrician who prioritizes your safety and satisfaction, look no further than Brightwater Services Inc.
