Burgos Cleaning Service is a family owned local business, giving us a strong sense of ownership and giving us an overwhelming desire to exceed expectations. BCS was launched with the intent of filling several voids in the cleaning industry for our little corner of the world here in and around Connecticut.

We pride ourselves on providing excellent customer service, an ‘art’ that all too many companies seem to have forgotten about lately, and strive to deliver you an outstanding cleaning experience that you are 100% satisfied with. Most importantly we are here to not only provide you with a cleaning service, but to develop a lasting relationship with you as our customer.
