Carbon Valley Academy is a tuition-free K–8 Colorado charter school serving Longmont, Frederick, Firestone, Dacono, Fort Lupton, and surrounding areas. We focus on academic excellence, character development, and community. We equip your child to grow in confidence, ability, and purpose so they can thrive!

Serving kindergarten through 8th grade students, we offer a rigorous curriculum that includes core subjects of reading, writing, math, and science, as well as enrichment programs in art, music, physical education, and technology. Our small class sizes, caring teachers, and targeted academic support ensure every child receives the personalized attention they need to succeed.
