Cast Iron Double Dutch Oven Description

I The 5-quart [cast iron double dutch oven](#) is every chef's dream. Its lid can be easily converted to a 10.25-inch frying pan and dome lid, providing space for roasts, no-knead bread recipes, soups and stews.

I Its two-handle design can easily move in your kitchen. Reflects excellent heat distribution and retention, enabling consistent and even cooking.

I It offers a wealth of possibilities and can be used for roasting, frying, roasting, roasting, stewing, frying or grilling. It is safe to use on the oven, stove or grill and on a campfire.

I The cast iron double dutch oven has been cooked for decades and seasoned with oil in advance. It is easy to release and improves with use.

I Maintenance instructions for cast iron: 1. Wash with warm water. If needed, add mild soap. 2. Dry thoroughly with a lint-free cloth or paper towel. 3. Spread a thin layer of cooking oil on the surface of the pan while it is hot. Hang or store cookware in a dry place.
