Cedar Eaters of Texas, based in the heart of Comfort, TX, is your go-to company for comprehensive land clearing services. Our team is equipped with state-of-the-art machinery and techniques to handle any project size, from cedar clearing & mulching to mesquite grubbing. We specialize in transforming overgrown properties into usable land while prioritizing environmental mindfulness and site preservation. Our hand crew cutting & chipping services are perfect for selective clearing, ensuring that only the designated vegetation is removed. For larger-scale operations, our forestry mulching and right-of-way clearing make way for infrastructure and development without unnecessary damage to the land. In the face of natural disasters like wildfires, Cedar Eaters of Texas stands ready with wildfire prevention & recovery solutions that protect your property and aid in its restoration. Trust us to provide professional and efficient land clearing services tailored to meet your specific needs.
