seo.champlainsmiles@gmail.com

Built in 2013 and conveniently located on Tom Miller Road, our clean and comfortable office provides our patients with the latest and most advanced dental services in northern New York. Our top priority is to treat each patient as an individual, get to know them personally, and not merely treat them as a chart number or “the next patient.” We promise all of our patients the same things: caring and attentive staff, an enthusiastic manner, and state-of-the-art dental care delivered with exceptional comfort in a friendly atmosphere.
