Chemey Mechatronics LLP is a leading Indian manufacturer and supplier of industrial safety systems, modular access platforms, and aluminium structural fittings. With a focus on innovation, quality, and compliance, Chemey offers a wide range of solutions including Known for its trusted Endurail® Modular Railing Solutions, Chemey specializes in slip-on pipe fittings, aluminum handrail fittings, and structural rail systems that ensure durable, tool-free assembly for rooftops, walkways, machinery, and safety zones.

With a strong emphasis on quality, Chemey manufactures all products using high-grade aluminium and corrosion-resistant materials, guaranteeing long-lasting durability and compliance with global safety standards. Their modular, weld-free installation systems enable quick and hassle-free deployment, reducing onsite labor and downtime. Additionally, Chemey offers mobile work platforms, industrial ladders, and tanker access solutions to improve access and mobility in industrial settings. The company's extensive fencing and perimeter security solutions include weld mesh fencing, razor wire fencing, and automated gate operators to protect industrial premises.

By Category:

Gangway & Industrial Ladders, Lifeline Systems, Perimeter Security, Safety Barriers & Gates, Safety Railing, Skylight Fall Protection Covers, Walkway Grating, Work Platforms

By Hazard:

Fall Hazards, Trip Hazards & Obstacles, Unprotected Edges

Products:

Endurail® Aluminium Structural Fittings, Slip-On Pipe Fittings, Aluminum Handrail Systems, Modular Railing & Guardrail Solutions, Solar Rooftop Railings & Walkways, Enduplank Rooftop Walkway System, Roof Skylight Safety Cover , Fall Arrest Systems, Self-Closing Safety Gates, Machine Guardrails & Perimeter Protection, Expandable Safety Barricades, Portable Work Platforms & Scaffolding, Mobile Tanker Access Platforms & Folding Stairs, Marine & Industrial Aluminum Gangways, Platform Ladders, Folding Ladders, Double-Sided Ladders, Tube Clamp Fittings, Automatic Gate Operators, Aluminum Floor Gratings

Our Key Offerings

At Chemey, we deliver a comprehensive range of industrial safety, access, and structural solutions designed to meet the highest standards of durability, functionality, and safety compliance. Our key offerings include:

- **Aluminium Structural Fittings**
Endurail™ Slip-On Fittings, Tube Clamp Fittings, Aluminum Pipe Railing Systems, Structural Rail Fittings, Modular Guardrail Solutions.
- **Fall Protection Systems**
Horizontal Lifeline, Vertical Lifeline for Ladders, Personal Fall Arrest Systems, Skylight Fall Protection, Enducover Skylight Safety Systems, Rooftop Lifeline System in India.
- **Safety Gates & Barriers**
Self-Closing Safety Gates, Yellow Safety Gate, Adjustable Torsion Spring Gate, Endurail Pallet Gate, Mezzanine Safety Gates, Expandable Safety Barriers, Modular Barricade Flexicade.
- **Mobile Platforms & Ladders**
Aluminum Mobile Scaffolding, Cantilever Work Platform, Portable Work Platforms, Tanker Access Ladders, Folding Tanker Stairs, Marine Aluminium Gangway, Industrial Ladders, Skymaster Ladders.
- **Rooftop Walkways**
Enduplank Rooftop Walkway, Solar Rooftop Walkway System, Aluminum Walkway, Roof Walkways.
- **Machine Guarding Systems**
Machinery Guardrail, Machine Guarding Systems, Machine Perimeter Protection, Endurail Safety Guardrail.
- **Fencing & Security Solutions**
Weld Mesh Fence, Razor Wire Fencing, Electrical Fence, Barbed Wires, Automatic Sliding Gate Operator, Swing Gate Operator.
