Established in April 2010, China Ball Valve [Manufacturer](#) Co., Ltd. is a dynamic leader in the valve industry, dedicated to the research, development, and production of high-quality valves. Spanning over 120,000 square meters, our facility specializes in a wide array of valve products, including ball valves, gate valves, globe valves, check valves, butterfly valves, forged valves, plug valves, and strainers.

For 22 years, we have been committed to delivering exceptional customer service, ensuring our [valves](#) meet the most stringent industry standards such as API 6D, BS 5351, ASME B16.34, and DIN 3202. Our company is also proud to hold ISO 9001, ISO 14001, and ISO 45001 certifications.

With robust design capabilities, state-of-the-art processing and testing equipment, and a dedicated team of professionals, we guarantee the performance, quality, and timely delivery of our products. Our valves are trusted and utilized across a range of industries, including petroleum, chemical, electric power, steel, shipbuilding, and water treatment, on a global scale.
