China Ceramics City (known as CCC) is Located in Foshan, Guangdong, which opened on October 18, 2002 with a total area of 53,000. It gathers more than 200 famous factories at home and abroad with categories of **ceramic tile**, **sanitary ware**, leisure bath, tap and fitting, mosaic, whole-house customization, imported tile, etc. CCC has served over 5 million global buyers from 150+ countries or regions in these 20 years, who come for project procurement, high-end design, channel sourcing and retailing. CCC has become the global procurement base of **ceramics and bathroom** products.

Up till now, CCC earned itself the well reputation of "Good Brands, All at China **Ceramics City**". In the future, we will adhere to both oversea and domestic channels, and continue to develop B-end and C-end customers such as commercial space owners, architectural design agencies, real estate developers, distributors, and end-users at home and abroad, to construct the top window of trendy space products.
