Cohn Legal, PLLC offers exceptional legal representation in the heart of New York, NY, specializing in intellectual property and corporate law matters. Our firm stands out as a premier destination for businesses and entrepreneurs looking for an NYC trademark attorney. We are dedicated to helping our clients protect their brands through comprehensive trademark services that include search, registration, enforcement, and litigation support. In addition to trademarks, we offer expert guidance on business formations, drafting robust contracts, crafting terms of service & privacy policies tailored to your company's needs, and navigating the complex landscape of technology law. Clients can expect personalized attention from skilled attorneys who are committed to understanding the unique aspects of their business and delivering solutions that foster growth and innovation.
