Consumer Justice Law Firm is a powerful nationwide consumer protection and employment law firm fiercely safeguarding fairness and fighting for accountability. With an arsenal of top-tier consumer attorneys and employment lawyers, we boldly stand against big corporate carelessness and bad bosses. Our consumer protection attorneys handle crucial consumer law cases involving credit reporting errors, background check errors, tenant screening errors, debt collection harassment, and identity theft recovery. Our employment lawyers tackle labor law violations like unpaid wage and overtime, and employment discrimination. We are advocates for the people and champions for consumer justice. Free consultations. \$0 out of pocket.
