Established in 2012 as an extension of Cosam Contracting Inc., Cosam Contracting South specializes in commercial and industrial roofing systems in all of Ohio and surrounding states. Cosam Contracting is not only a Duro-Last Elite Contractor but has been a trusted and professional commercial roofing company for over 30 years. Other preferred manufactures of ours include 838 Coatings, Carlisle, Conklin, U.S. Ply and Firestone. We service built-up, modified bitumen, various types of metal roofs, liquid-applied roof coating systems, EPDM, TPO, PVC and more.
