We are a caring and dedicated team committed to providing a lifetime of optimal dental care and smile wellness to our patients. We strive to foster relationships based on mutual trust, excellent customer service, and the highest quality care available in a relaxed and comfortable environment. Dr. Fee believes that behind each tooth is a living, breathing individual and is drawn to the potential to truly help her patients. Through her formal training as a nutritionist and her inexhaustible enthusiasm regarding health and wellness, she approaches dentistry holistically. Her mission is to help people on their unique path to wellness beginning with their smile: Smile Wellness.
