Dr. Paithankar

uddhaves.h.paithankar@gmail.com

Gastroenterology is a field of medicine dealing with problems of the liver, esophagus, stomach, and intestine. These diseases are complex and need an expert to deal with these situations. Dr. Uddhaves.h Paithankar has done master's in medicine from prestigious GMC Bhopal and Super specialization in Gastro and liver-related diseases. He has done MRCP from the prestigious Royal College of LONDON. His expertise lies in Endoscopy colonoscopy ERCP and Endoscopic Ultrasound. Gastric balloon placement for obesity is another forte. He is currently employed at Fortis Memorial research institute which has been awarded the best institute for gastroenterology in Delhi NCR. His motto to treat patients with humility and compassion is what makes him stand apart.
