Established in 2001, Eagle Rock Excavating, LLC is a Tucson, Arizona-based civil construction company specializing in full site development. Our management team has more than 70 years experience in commercial, residential, subdivision and retail property development.

We're a Tucson owned company with strong roots. Our team is led by Matt Hazen, a University of Arizona graduate in Civil Engineering. We are affiliated with Canyon Building & Design, a Tucson company that has built a reputation for providing smart, quality construction that compliments the beauty of the Sonoran Desert.

At Eagle Rock, we are a solutions-driven organization that seeks to establish mutually beneficial relationships with our clients. We understand that a successful project is one that is completed on time and on budget. Eagle Rock has earned a solid reputation for the way we run our business. We're confident you'll dig us, too.
