At **Elastostar Rubber Corporation**, headquartered in Plain City, Ohio, we are proud to be a leading manufacturer of high-quality custom rubber and silicone parts. Our state-of-the-art facilities produce a wide range of products, including silicone extrusions, tubing, gaskets, O-rings, seals, and molded rubber parts. Serving industrial and pharmaceutical markets, we uphold the highest standards with ISO 9001:2015, IATF 16949:2016, and AS 9100D certifications. Our extensive portfolio includes FDA-compliant silicone, conductive tubing, sponge seals, window and door profiles, and more. At Elastostar, we deliver precision, innovation, and exceptional service, building partnerships with our clients to set new standards in the silicone rubber industry. Our extensive product portfolio includes closed-cell silicone sponge rubber, FDA-compliant **metal and X-ray detectable silicone**, various rubber channels (D, U, E, and P shapes), die-cut gaskets, electrically conductive silicone tubing, bulb seals, LED diffuser channels, and [platinum-cured silicone tubing](#). We also offer window and door seals, extruded profiles (square, rectangular, and double bulb), T-seals, lip seals, inflatable gaskets, rubber sheets, omega seals, silicone cords, molded parts, extruded strips, rubber triangles, [fluorosilicone O-rings](#), sponge extruded seals, and silicone rubber hoses.
