We are Exhibit People, and we're a Las Vegas based Trade Show Exhibit Builder specializing in customized trade show booth rentals. We don't just rent trade show booths, we build smart efficient trade show rental displays tailored to our client's needs and budget. We work with clients for trade shows in Las Vegas and all other trade show cities across the US and Canada – even a few overseas.

We're committed to more than just great looking and efficient trade show rental displays. We work to deliver what we would want – top quality display materials and exceptional, reliable transparent service that goes above and beyond so that you rent your trade show display from us year after year. Most of our clients are long time repeat rental customers, and good friends – just read what clients are saying in testimonial section. We're proud of what that says about the service we provide.

As a design team, we dig deeper to learn about you and truly leverage your industry experience with our trade show experience to help you have the best show possible. We research your show, your industry and your booth location, and the neighboring competition to determine how the traffic will flow to and from your booth space. We've built hundreds of rental booths and installed them in dozens of trade show venues from Las Vegas to Dubai.

We give you more booth for less money, small to large, simple inline display or large custom island. We focus on providing complete solution custom trade show rental displays from exhibit design to graphic design, install expertise and even AV tech support. We give you 24/7 support access and one point of contact. When all is done, you have only one invoice including rental, graphics, AV, furniture and flooring – so everything fits, connects, matches and installs efficiently.

To start, we give you access to [hundreds of fresh trade show rental booth design ideas](#) to help you point us in the right direction for your customized rental exhibit. Then we revise till you're happy. We make sure you don't worry about missing important details as we build, deliver and install your custom trade show rental booth.

We are proud to be a long time Las Vegas exhibit builder specializing in trade show exhibit rentals for any show anywhere. Las Vegas gives us a strong base and experience in the worlds most demanding trade

shows. But we well know that our specialty is in building efficient trade show booth rentals and providing top notch service – and this allow us to to service show city from coast to coast, and even a few trade show destinations around the globe.
