India is a net importer of edible oil. India imports oils from many countries and at the same time, India also exports good quality oils to many other countries. One of the most important product that India exports is organic oils like coconut oil, mustard oil, herbal oils like neem oils, sesame oil, groundnut oil, etc. At Pride Organic Exports, we engage in [export of edible oil from India](https://www.eqlic.com/detail/export-of-edible-oil-from-india-chennai-357170). Our genuine cold pressed oils are made from the best ingredients and are second to none. We maintain a 100% satisfaction in all our buyers and provide only the best oils to our customers abroad.
