factoHR is a comprehensive, cloud-based HR payroll software in India designed to simplify HR operations and empower organizations to focus on what matters most—nurturing talent and driving success.

Trusted by over 3,500 businesses and 2.6 million employees, including industry leaders like Wipro, Siemens, Tata Steel, GHCL, and Cycle Agarbatti, factoHR streamlines HR processes and enhances productivity.

Our scalable platform offers a suite of integrated solutions, including HR & Payroll Management, Attendance and Leave Management, Performance Management, and Talent Acquisition, among others. By automating routine tasks, factoHR helps HR teams save time, reduce errors, and focus on strategic initiatives.

factoHR's mobile-first design ensures real-time access to HR data, making it easy for both HR teams and employees to stay informed and manage their information on-the-go.

At factoHR, we believe in centralized, collaborative solutions that foster a vibrant workplace culture, supporting both organizational growth and employee engagement.
