Fichmu is headquartered in Navi Mumbai, an ecommerce platform that sells [fresh meat online](#). Delivers the freshest of catch - [fish and seafood](#) from the dock to your door step and [Chicken](#) directly from the farms. All you have to do is punch a key on your mobile or laptop and we will have it delivered the same. Some notable fishes we sell includes roopchand fish, catla fish and baasa fish amongst others.

Normally, the fish that you order from supermarkets is frozen and preserved for many days with the heavy use of preservatives. It's thus stale and sometimes tastes foul. At Fichmu, you just have to order your fish and chicken requirement online and we will deliver it fresh. We follow stringent quality checks at every stage of processing. Our fish and chicken are therefore highly nutritious, wholesome, safe and healthy for consumption.

Some finest meat products include [roopchand fish](#), [catla fish](#), [baasa fish](#) and more
