Want to enhance your taste buds? Established in 2010, Fire & Ice opened its doors. We have a team of experienced and dedicated professionals who help us provide mouthwatering food and treat our customers like family. Whether you are looking for breakfast, lunch, or dinner, we deliver everything from starters and soups to drinks. In addition to this, we also offer custom catering delivery services. Just give us a call at (815) 568-7337 and place your order today from the comfort of your home.
