Fitness World is India's favorite fitness brand when it comes to setting up commercial fitness facilities, fitness equipment for home, corporate, and commercial segments. We started our journey in 1993, with the launch of a slimming much. Today, 25 years later we are the market leader in providing world-class fitness equipment and accessories. We specialize in top-of-the-line commercial and home fitness equipment with cutting-edge technologies. Our extensive 11,000 sq.ft spacious showroom is located in Delhi/NCR with over 500 state-of-the-art fitness equipment on display. Since we are extremely passionate about what we do, we guarantee you only the best fitness equipment!
