This is an extremely pocket-friendly gym with all the necessary equipments for cardio, functional and weight training, with an area of almost 2,000 sq ft.. This is located exactly at Ballygunge Phanri (previously situated at Ballygunge Place). We have experienced and certified trainers. We also provide free dietitian consultation. Our target is to provide a holistic path to health, fitness, nutrition and weight loss to our clients. FitNet Health Club is the 2nd branch of the chain of gyms by FitNet. It is an initiative by the renowned weight-loss consultant, Dr Basudev Tewari (owner and director of FitNet chain). This is the next project after the runaway success of our previous gym at Kasba, FitNet Studio & Clinic.
