HCL Samuday, a flagship program of HCL Foundation, is an outcome of HCL's commitment to uplift rural India. Established in 2015, Samuday intends to develop a sustainable, scalable, and replicable model – a source code for economic and social development of rural areas in partnership with central and State Governments, local communities, NGOs, knowledge institutions and allied partners. We do this through optimal interventions across Agriculture, Education, Health, Infrastructure, Livelihood, and WASH (Water, Sanitation & Hygiene) in selected villages.
