[Hebei Hope Harmony Pharmaceutical Co., Ltd.](#) was founded in the Industrial Zone of Yuanshi County, Hebei Province in March 2007. We produce a wide range of products to maintain the health animals.

Hope Harmony has imported advanced production equipment, first-class international inspection equipment, and has highly educated and experienced technicians to ensure quality stable and reliable. At the same time, we has the provincial level veterinary drug research and development center, which invests lots of money in new product development every year that ensure the company's competitiveness in the market is steadily improved.

Protect animals, create better future is our mission. [Hope Harmony](#) has attained that leadership position by continuously researching and developing new products for animal health since 2007. We do protect our animals, so that we can create a better future for human kind.

Hope Harmony exports our goods to more than 20 countries, and have established a long term relationship with our customers, including South America, Middle East, Asian, Africa and Europe.
