Welcome to Hometown Dental Brannon Crossing, where we are proud to offer top-quality [dental care to the Nicholasville](#), Kentucky community. Our skilled team is dedicated to providing a wide range of services designed to meet all your dental needs, including Invisalign for those seeking a straighter smile without traditional braces. We also specialize in long-lasting dental implants and crowns, crafted with precision to restore functionality and aesthetics. For patients looking for routine care, our dental fillings are performed using the latest techniques for comfort and durability. Our commitment to oral health extends through our orthodontics offerings, helping patients of all ages achieve optimal teeth alignment and improved bite function. As your trusted dentist in Nicholasville KY, we welcome you to experience compassionate care in a comfortable setting.
