Cash App is an easy way to transfer cash. The app has many active users and the relative ease of use of the app has made it as one of the most used apps for cash transactions in the world. At times, you might not want to have unnecessary cash transactions to show up in your account statement. This is where knowing [how to delete cash app history](#) comes handy. Since, each transaction in the cash app is a cash transaction, it is similar to the bank statement and it can't be edited and deleted easily. In spite of deleting a few entries in your cash app account, you can delete all the transaction history by deleting the account.
