I love the quote from Oscar de la Renta, who says: "Fashion is about dressing according to what's fashionable. Style is about being yourself". And to be yourself you need Customised Jewelry. Read on to know more about [indian jewellery latest fashion](#)

In 2019, we made more than 500 Customised Jewelry pieces. It was particularly interesting because each piece of uniquely customized for each customer. And each customer had something new to add or something old to delete. The whole process made us learn different ways of how we could put various metal, stones and polish together to make something completely different, affordable & beautiful.

At the beginning of the year, I met with the whole team of sales reps, production managers and karigars and we did a bit of tiny survey amongst us. Here are only 5 (out of 500) pieces that we made it to our [TOP 4 Indian Jewellery Pieces list](#).
