Hundreds of stock brokers exist across BSE, NSE & MCX. Most people are confused about choosing the right stockbroker to open trading & demat account. We do exhaustive research on share brokers. Our comparison tools & detailed reviews help to figure out the best stock broker that fits their needs. Collectively, our clients saved over 25 crore in brokerage.

Investyogi help investors and traders finding the ideal stock broker that fulfills all their needs from a large pool of traditional and discount stock brokers. We help you compare and review brokerage charges, turnover charges, annual maintenance charges, trading terminals, mobile apps, margins and other important things.
