Founded in 1988, **Kelly Valve Co., Ltd.** is a premier manufacturer of [Flow Control Valves](#) and Industrial Valves, operating advanced production facilities in Xiamen and Zhejiang. Our unwavering commitment to quality is demonstrated through our robust R&D capabilities, cutting-edge manufacturing processes, and compliance with key industry certifications including ISO 9001, API 6D, and PED CE. This ensures we deliver top-tier valves suited for a wide range of industries worldwide.

Beyond our extensive catalog of standard valves, Kelly Valve excels in providing custom-engineered solutions tailored to meet the unique requirements of our clients. Our dedicated procurement and sales teams collaborate with over 100 trusted manufacturers to guarantee efficient sourcing, rigorous quality assurance, and on-time delivery. From initial consultation to after-sales service, we prioritize a seamless and satisfying customer experience.

With a global footprint spanning more than 20 countries, Kelly Valve proudly serves major industry leaders such as BP, SHELL, and PETRONAS. We continue to offer reliable, high-quality, and competitively priced valve solutions that bring exceptional value to sectors including oil and gas, power generation, and petrochemicals.
