With intention to make life easier for everyone, LIFEASY is a market dominating leader across Delhi and NCR providing on-demand home based services. The array of services offered by the company is meant for the people who always run short of time following a hectic schedule in their day to day life in these metropolitan cities. Apart from this, the company also realizes the fact that each and every home, at a certain point of time, faces problems on regular basis in getting a skilled handyman at convenient times.

With the services offered by LIFEASY, people can have a sigh of great relief as the company's young and talented pool of professionals is fully committed to bring ease and convenience in their lives by providing effective and affordable home care services right at their doorsteps. The company has constantly strived hard to become the most dependable service partner for every home. Right from repairing the leaking taps to old furniture or fixing unexpected electrical issues to appliance installation or painting homes to cleaning them - LIFEASY does it all without causing you even the least inconvenience.
