Get real time, arrival, departure and delay status of trains passing from particular station in next 2 or 4 hours with the help of ntes live station enquiry at Indian train. There are several websites where you can [check live station status](#). As I am a regular traveler, i suggest you to check live station status on the Indian train website as it provides you with accurate live station status. And most important it's very easy to use. All you need to do is go to the [live station enquiry](#) page of Indian train. Once reached there and enter your station name/code in the given box. After entering the station name, click on the 'get status' button. Now within a few seconds, live station status of all travel class will be on your screen.
